# GUILDFORD

## TRIPLE STREAM

This recycle container features a sleek laminate finish and stainless steel top, toe kick & gasket openings. With front loading waste streams, the Guildford Triple Stream is ideal for high traffic areas, including atriums, cafeterias & hallways. Rear loading openings are also available. Optionally, brand your bin using your corporate logo. For Outdoors, customize your Guildford in an all metal finish, including stainless steel, brass, copper or bronze.

Each compartment features latch lock doors; keeping your rigid liners & recyclables secure. These containers also allow for ergonomic front emptying. The Guildford easily levels and moves on any floor surface using its 4 leveling feet. With high quality 304 grade stainless steel & 7/8" birch plywood, the Guildford Triple Stream is built for durability and longevity.
