

Stream Series 2060

6 Foot Bench

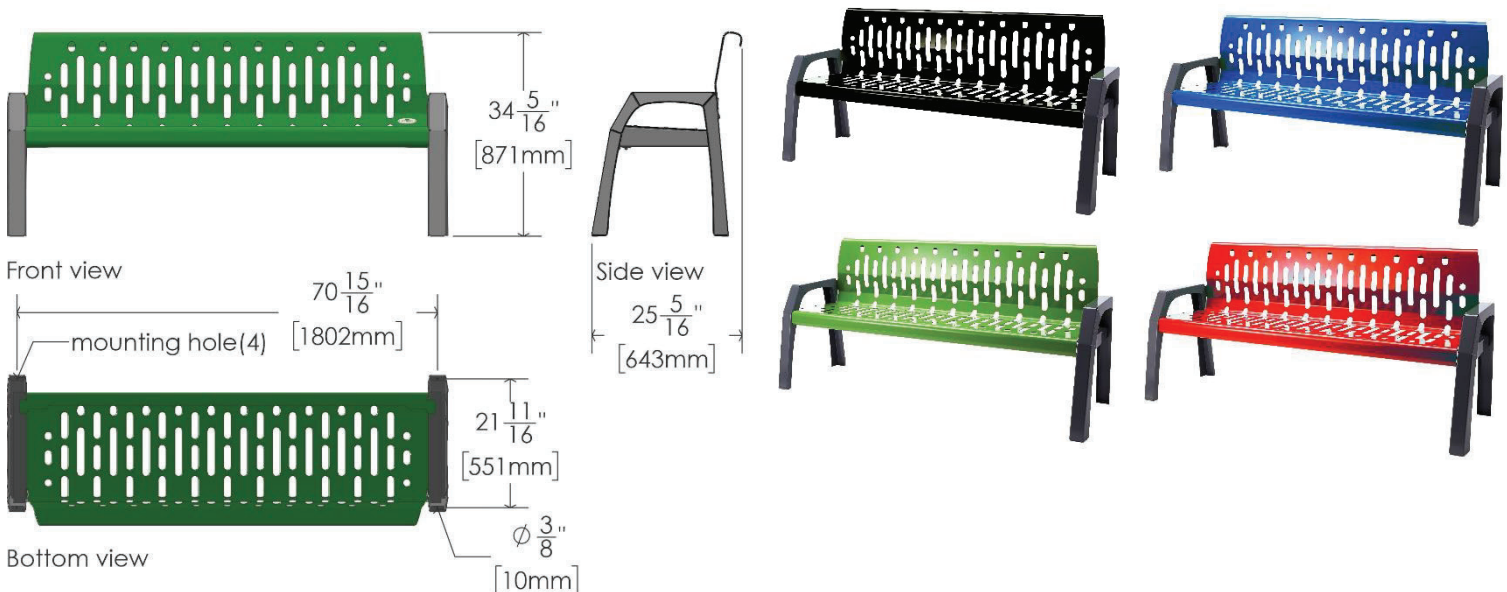

Product Code: 2060-Black, 2060-Blue, 2060-Green, 2060-Red

Single Carton UPC: 2060-Black: 624622206017, 2060-Blue: 624622206031, 2060-Green: 624622206000, 2060-Red: 624622206024

Single Shipping Dimensions: 193cm L x 91.4cm W x 104.1cm H (76" W x 36" H x 41" H)

Single Shipping Weight: 62.1 kg (135 lbs)

Site Location: Stream series steel 6' benches are made of heavy duty steel with a unique and modern design. These are most commonly used at schools/universities, hotels, retail centers, factories, condominiums, and office buildings.

Features:

- Unique and modern architectural appearance
- Tested to survive harsh climates
- Made with heavy duty steel
- Ergonomic with lumbar support
- Doesn't get too hot in the summer or too cold in the winter
- Easy to install with anchorable feet

Characteristics: The 2060 six-foot bench series comes in a variety of colours. The clean detailing and modern design make this a top choice for architects. It is made of heavy duty steel with built in arm rests which make it a durable option. Feet allow the unit to be securely anchored to the ground, reducing the chance of vandalism or theft. The benches ship completely assembled and can be stacked three high for more efficient transport.

Capacity:

- Comfortably sits three adults. The bench will support the industry standard 600 lbs load if properly anchored to the ground and can hold up to 900 lbs of static weight dispersed across the entire bench.

Materials:

- Heavy 12 gauge hot rolled steel construction
- Super Durable TGCI-Free Powder Coat paint. This type of powder coating is designed for superior weatherability compared to standard TGIC polyester powder. This type of paint is designed to meet the AAMA (American Architectural Manufacturers Association) standard 2603. It provides excellent exterior color and gloss retention, superior over bake resistance, and good chemical resistance. The paint is designed to withstand 1500 hours of salt spray testing and 1 year of outdoor exposure in extreme conditions.
- Bench arms are RAL Grey 7012
- Colours available for body: RAL Blue 5005, RAL Black 7021, RAL Green 6018, RAL Red 3001

Product Dimensions:

- 189cm W x 86.9cm H x 64.3cm D (74.4" W x 34.3" H x 25.3" D)
- Depth of seat: 45.1cm (17.75")
- Height from ground to seat: 48.3cm (19")
- Space between arm rests: 111.8cm (44")
- Mounting hole dimensions: 0.4" diameter for each of the four mounting holes in bottom of feet

Product Weight:

- 45.3 kg (100 lbs)

Installation: This bench can be free standing or mounted into the ground with anchors (not included). The anchor holes are located in the feet at the bottom of the unit. Mounting hole dimensions: 0.4" for each of the mounting holes.

Maintenance:

Regular cleaning with a damp cloth and mild soap solution is recommended to extend the benches' lifespan and maintain their function. Stainless steel surfaces can be cleaned using approved cleaners; harsh chemicals should be avoided.

Warranty:

We offer a one-year warranty from the date of shipment, covering repair or replacement, including freight costs, for any defects. Installation or removal costs are not covered. Discoloration due to environmental or chemical exposure is not considered a defect under this warranty.
